
STRENGTHENING THE ARTS

ETC Ambassadors are a big part of our connection to the wider Gisborne community. Our Ambassadors are prominent members of the community with a deep belief in our mission to evolve and promote performing artists. They are core donors, supporters, and evangelists. Most importantly of all, they provide meaningful insight and council on a variety of issues as needed.

BENEFITS

ETC Ambassadors receive 2 tickets to each production and event, and special mention on our website and in the show programs. Mostly, they get a chance to contribute to the organisation in a meaningful and impactful way, helping us to achieve our mission and strengthen the arts in our community.

REQUIREMENTS

We ask our ambassadors to make a minimum contribution of \$250.00 per annum, make themselves available to ETC staff and trustees to provide advice and council on various initiatives, to attend productions and events and bring their friends, and to share their experiences in person and on social media.

Ready to be an Ambassador?

Email us at info@evolutiontheatre.org.nz or call Managing Artistic Director, Dinna Myers at 021-258-3998. Lets grow artists together!
